

ALLA VIENNA

Alla Vienna is an ensemble of seven instrumentalists, all of which have a broad spectrum of musical work – attained through working in the prominent polish philharmonics. The ensemble is conducted by the 2. Concertmaster of the Lodz Philharmonic, Marta Niedzwiecka.

The ensemble was established in 2008. Initially the repertoire consisted mostly of Vienna music. Successively we broadened the spectrum of our work with musicals as well as movie and entertainment music. Nowadays our showpieces are the innovative, crossover projects: movie music, Queen Symphonic or concerts with a DJ.

Each year we are gaining new experience, performing in the most prominent concert halls and collecting enthusiastic critics. In 2013 we performed over 40 concerts spread all over Poland. Since 2012 we are cooperating with a Dutch concert agency and also successfully touring in the Netherlands. We are looking forward to perform in other countries as well!
